

# EAST CATHOLIC HIGH SCHOOL

**The East Catholic Mathematics Department invites all students who were previously enrolled in an Algebra 1 or Geometry class to our “ALGEBRA 2 BOOTCAMP!” this summer.**

This readiness course is a review of algebra concepts and arithmetic algorithms and will help students develop good mathematical study skills and learning strategies. Students will explore the following topics:

- Algebraic expressions and integers, solve linear equations and inequalities, writing and graphing linear functions, solving systems of linear equations, polynomial equations and factoring, and graphing and solving quadratic functions.

Students will be introduced to the book they will use in Algebra 2 and will have capabilities to use Math IXL from a computer for additional review.

**July 24<sup>th</sup> – August 3<sup>rd</sup>**

**Mon-Thurs (9 a.m. – 11 a.m.) at ECHS or through Google Meet**

**Course Fee: \$250 includes study materials**

**Class size is limited to 12 students. The class fills up quickly so register soon.**

Please email Ms. Gina Burby, Dean of Academics at [burbyg@echhs.com](mailto:burbyg@echhs.com) with questions regarding the course.

---

**Registration:** Please let Ms. Burby know as soon as possible which session you would like to attend.

**Payment: \$250** **\*\*You may bring cash or check on the first day of class or mail a check made out to Gina Burby to East Catholic High School, Attn: Gina Burby, 115 New State Road, Manchester, CT 06042**
