Mission Statement

East Catholic High School is a regional college-preparatory school of the Archdiocese of Hartford. Building on Catholic Tradition and the charism of the Sisters of Notre Dame de Namur, we challenge our students to build strong moral character while pursuing academic excellence, responsible citizenship, active participation in community service, sportsmanship, and an appreciation for the fine arts. Guided by the teaching of Jesus Christ, East Catholic is a welcoming environment for all students.

East Catholic has been recognized as a Blue Ribbon School of Excellence by the U.S. Department of Education.

The East Catholic Community

East Catholic High School takes great pride in its 50+ year tradition of academic excellence. Located six miles northeast of Hartford, CT, the state's capital, the school serves approximately 477 students each year from 40 towns in the Greater Hartford area and eastern Connecticut and 1 from Massachusetts. Approximately 67% of students receive some form of tuition assistance. Almost 77% of students are Catholic.

Freshman applicants to East Catholic must take an entrance exam and demonstrate solid academic performance at the middle school level.

The academic program at East Catholic, which is based on archdiocesan, state, and national curriculum standards, seeks to address the needs of students of varying academic abilities.

The school prepares all learners for advancement to the college level. The curriculum and a wide variety of comprehensive co-curricular programs encourage all students to challenge themselves academically and physically and to develop their God-given talents.

The school aspires to develop students who think critically and cultivate life-long learning. It is committed to producing graduates who act with integrity and self-discipline as good citizens of their country and Christian leaders for the Church and the world.

Thus each numeric grade is assigned quality points adjusted according to the level of the course and then multiplied by the credit earned.
